

From : <http://www.onlinefreelogo.com/logo-design-online/computer-and-internet-logo>

- 1) This one instead the upper one a brain? And all of it inside the Gaze the web eye:

- 2) This one without the face: just a Play Button , also inside the Eye : Research of Video

- 3) Inside the Eye and then the brain:

4)

- 5) Instead the Heard a brain and as the head of the loop the Eye Symbol:

So we combinate: Brain, Analysis-Tool, Eye all in one: only Movie is missing:

Your company

- 6) This one with movie rolls as bars. And maybe in the background of the screen the Eye: So technique combinatet with analysis bars ( these are made of film rolls->movie inside) and then the Eye in the background for control
